Couple with Brides immediate family
Couple with Grooms parents
Couple with grooms immediate family
Couple with bride's extended family
Couple with grooms extended family
Couple with any grandparents

Keep in mind that the more photos you want the more time it takes! We want your day to be about the wedding, not the photos. It is important though to get the ones that are important to you! You can use a list, cross things out, or combine things where needed to best fit your needs. Thanks!
